

Oregon Cannabis Tax Act 2012 (OCTA 2012)

OREGON CANNABIS TAX ACT INITIATIVE STATEMENT OF ENDORSEMENT

We (I) would like to offer our (my) endorsement of the Oregon Cannabis Tax Act Initiative.

The Oregon Cannabis Tax Act Initiative (OCTA) is a citizen's initiative campaign to regulate cannabis and restore hemp. Just as ending alcohol prohibition and regulating that market has protected society, regulating cannabis will help wipe out crime. Drug cartels and gangs will lose significant funding when we regulate cannabis and take the criminal element out this market. Restoring hemp, for fuel, fiber and food, will put Oregon on the cutting edge of exciting new sustainable green industries and create untold multitudes of new jobs.

It is estimated OCTA will amount to \$200 million a year more funding for our state government. 90% of the proceeds will go into the state general fund, 7% for drug treatment programs, 1% each for drug education in public schools, and two new state commissions to promote hemp biofuel and hemp fiber and food.
